

## **Trager clinical practice training**

**May 2nd – 4th, 2025**

**Zürich and aaReha Schinznach**

**Katriona Shawki, Tekeal Riley, Matthias von Rohr and Peter Fankhauser**

Dear Trager colleagues,

We are pleased to inform you that a Trager clinical practice training will take place in Zürich from May 2nd to 4<sup>th</sup>, 2025.

This course is for you if you work with or are interested in working with people who have difficulty moving freely or who suffer from various chronic illnesses.

The first day of the course will take place in Zürich and will consist of review, practice and exploration of Reflex Response work as well as exchanging about work with clients who live with challenging clinical conditions. The next two days will be spent at aaReha Schinznach where we will work with people having a variety of conditions.

You will have the opportunity to work with a total of four different clients, two each day. You will be supported by our teaching staff.

The prerequisite for participation is that you have attended at least one Reflex Response course. Please fill out the registration form, it makes our organization easier.

Katriona will also be teaching a course in “Basic Reflex Response” from May 8th to 11th at the Kientalerhof. There are still places available.

Kind regards

The Trager School Switzerland team
